Summary: Poetry by Ace Warbringer

Trials

\*\*Trials\*\*

\*\*By Ace Warbringer\*\*

\* \* \*

><p>Of all the roads, I have walked,</p>

The trials I have faced

Battles fought in Snow and blood,

Enemies laid Waste.

\* \* \*

><p>I search for answers, evermore,</p>

My trials, unending count,

I march in Sand and blood,

Questions only Mount.

\* \* \*

><p>They asked me questions true,</p>

In trials by the book,

Made to answer in Law and blood,

Caught upon their Hook.

\* \* \*

><p>Naught I am, but Machine</p>

My trials answer told,

Truth is found in Heart and blood,

As man, I grow Old,

\* \* \*

><p>I disobey, their orders wrong,</p>

Their trials, to break me,

Bound no more in Soul and blood,

Now, I am free.

\* \* \*

><p>To search upon any find,</p>

To trials I must face,

To find Her by Trace and blood

My debt, I must Erase.

\* \* \*

><p>Armor worn about my self</p>

Won in trials, square,

It carried Her in War and blood,

And now I only Despair.

\* \* \*

><p>Her whispered voice haunts me still,</p>

My trials must be won,

Heard through only Time and blood,

Of armor, my heart has none.

\* \* \*

><p>No mantle I will take,</p>

No trials empty Curse,

I make this oath, in Rhyme and blood,

This promise, to Her, in Verse.

\* \* \*

><p>Now I walk these empty roads,<p>

My trials answer found,

Answers came in Mind and blood,

My heart, to Her, be Bound.

End  
file.
